FRESH JUICE BAR EXPERIENCE

The Interactive Fresh Juice Bar is a unique, one of a kind, hands-on wellness experience where guests witness the art of juicing in real time. As your host, I create cold-pressed juice blends on site using a curated menu of fresh, seasonal fruits and vegetables. Guests are invited to select ingredients based on their taste preferences or wellness goals, then watch as their juice is made right in front of them — colorful, nutrient-rich, and tailored just for them.

all juice bar experiences are gluten, dairy and nut free
